LOCATION

drivingcamp: High-Tech of the 21st century,
The drivingcamp Hungary in Zsámbék, only 24 km from Budapest, is one of the Europe's most modern and beautiful traffic safety and driving technique centres. The location offers all possibilities of exceptional event services thanks to the perfect transport connections and the most innovative equipment at the highest technical level.

ON GROUND

The day starts at Europe's one of the most modern traffic safety and driving technique centres located in Zsámbék, with an unique super sport car the Ariel Atom 300 horse power speed car with which you will experience the feeling of accelerating to 100 km/hour in only 2.8 seconds.

The program goes on with a 330 horse power BMW E30 4.4 V8 drift car performing dominance and control in crazy turns and manouevres. The last part is an off-road fun ride, starting with a Land Rover climbing up to an 90 degrees hill slope, also handling a waterfall up- and downwards, continuing through fallen trees and much more.

IN AIR

At the second part of the program you will fly an aerobatic helicopter flight with Hungary's best helicopter aerobatic pilot on a military helicopter the Mi-2. During the flight you will experience the Worlds Aerobatic Championship Winning Program. The Program consists of extreme flight attitudes and manouevres. One of our guest will have the possibility to actually fly the helicopter.

The program follows a first-class lunch in a premium environment at the bistro MOTO.

THE BISTRO MOTO

bistro MOTO is also located at drivingcamp first-class complexum. Our premium partner pampers you with culinary delights, thanks to many years of experience with traditional Hungarian and international delicacies, on request, you can also be involved in the preparation of dishes.

Trust us with all your requirements and we will care for your well-being!

IN WATER

After the delicious lunch we are following to the last part of the program which is the water part. The location of the program is the Danube river located in the heart of the Budapest. During the program you will be offered activities such as waterski, wakeboard, jetski, and a ride on speedboat.
